

The World Leader  
In Data Elimination

**HD-2X**  
Economical Degausser

## HD-2X Economical Degausser

The economical HD-2X (10,000+ Gauss) degausser is for those who need to permanently erase data from hard drives or tapes, but don't need a high-volume degausser.

Ideal in office settings, this quiet operation desk top degausser erases high coercivity (magnetic) hard drives, as well as the full range of tape cartridge media.

Easy to use, simply place the media in the drawer. Closing the drawer automatically starts the degauss cycle. All data is completely erased in under 60 seconds.

Combine the HD-2X degausser with Garner's exclusive IRONCLAD Erasure Verification System with JPG image capture for complete, permanent, and verifiable data elimination. Only Garner offers complete hard drive erasure with JPG images of degaussed hard drives, providing the best audit trail and proof-of-erasure reports available.

## Secure and Compliant

The HD-2X will help you meet government and industry standards requiring complete erasure of sensitive data prior to disposal, including:

- **California Senate Bill 1386**
- **DOD** Up to Secret Classification
- **FCC**
- **GDPR** (General Data Protection Regulation)
- **GLBA** (Gramm-Leach-Bliley Act)
- **HIPAA** (Health Information Portability and Accountability Act)
- **IRS 1075**
- **NIST SP 800-88r1**
- **PCI DSS 3.2** (Payment Card Industry Data Security Standard)
- **PIPEDA** (Personal Information Protection and Electronic Documents Act)

## HD-2X Features

- Generates 10,000+ Gauss (1 Tesla) magnetic field for complete erasure of hard drives and tape
- Erases up to 480 (1.8 in.), 360 (2.5 in.), and 60 (3.5 in.) hard drives per hour
- Erases working and non-working hard drives
- Closing the drawer automatically starts the degauss cycle
- Office quiet, less than 60-second erasure cycle
- Continuous duty - no cool down between cycles
- CE/ANSI certified
- Small footprint, fits on a desktop
- Portable, lightweight (34 lbs)
- MIL SPEC shipping case available

## HD-2X Erasure Verification

- Built-in field verification system and on-board diagnostics confirm the magnetic field strength of every erase cycle, ensuring complete erasure (standard)
- LCD display provides bar graph with numerical value to verify erasure (standard)
- Optional IRONCLAD Erasure Verification System with JPG image capture upgrade. The ultimate proof-of-erasure report with JPG images of erased hard drives
- Optional SCAN-1X Media Destruction Report software and scanner upgrade. Creates a media destruction report complete with date, time, user ID, serial number and erasure verification of each degauss cycle

## IRONCLAD® Verification

Add IRONCLAD Erasure Verification System. IRONCLAD captures a JPG image of the degaussed media and automatically generates a certificate of erasure and destruction, including the crush depth of the PD-5. (Patent pending)

## HD-2X Packages

Configure a system to match your needs. Pair the HD-2X economical degausser with our PD-5 NSA-listed destroyer or PD-4 NSA-listed destroyer.

Add IRONCLAD Erasure Verification System with JPG image capture. IRONCLAD automatically generates a certificate of erasure and destruction with a JPG image of each degaussed hard drive.

SPECIFICATIONS	
Part Number	<b>HD-2X</b>
Certifications/Listing	CE • ANSI • FCC
Magnetic Field	1 Tesla (10,000 Gauss) nominal
Erasure Verification	SCAN-1 optional IRONCLAD* optional *Patent pending
Throughput (Hard drives per hour)	Up to 480 (1.8 in.) Up to 360 (2.5 in.) Up to 60 (3.5 in.)
Media	Hard drives: Laptop, standard, network up to 1.5 in. in height Tape media: All LTO, all DLT, AIT, 2590 Series, 8mm, and others
Power Supply	100~240VAC ±5%, 50/60 Hz- Factory configurable
Power Consumption	During standby: 24W During charge: 156W (avg) At the time of erase: 60W
Degausser System	Capacitive discharge
Duty Cycle	Continuous
Media Drawer Capacity (HxWxD)	1.25 x 4.3 x 5.9 (in.) 31.8 x 108 x 148.6 (mm)
Temperature	41°F - 104°F (5°C - 40°C)
Humidity	10%H - 40%H without condensation
Weight	34 lbs. (15.5 kg)
Size (HxWxD)	6 x 17.8 x 13.3 (in.) 151.1 x 450.9 x 337.8 (mm)
Warranty	One-year manufacturer's limited warranty standard, optional three-year limited warranty available
Made in U.S.A.	By Garner Products, Inc.

**Note: Hard drives and some tapes are not reusable after being degaussed.**
